Dear friends,

Please consider joining or renewing your membership of the Rubicon Forest Protection Group Inc (RFPG) or joining anew. The membership fee for 2022/23 is \$20.

The Purpose of the RFPG is to '... protect and promote the values of the Rubicon Forest and to contribute to protecting and promoting the values of Victoria's native forests more widely'. The most pressing threat to the values of the Forest at this time is unsustainable, industrial-scale logging. For a taste of 'why protect' take a few mins to listen to [Lachlan McBurney in Toolangi](#) on RadioNational recently.

For an overview of the work of RFPG in recent years you might wish to browse other pages on our [website](#).

Please consider supporting our work: renewing or joining or donating²; or by joining our small executive group. If you would like to renew or join please write to admin@rubiconforest.org along the following lines:
